

ABC Technologies – Employee Benefits and Perks

Document Information

Document Owner: Human Resources Department

Effective Date: 1 April 2026

Version: 1.8

Applies To: Full-time employees of ABC Technologies, unless a section states otherwise

1. Overview

ABC Technologies offers a range of benefits designed to support the health, learning, and financial wellbeing of its employees. Benefits are provided in addition to salary and are subject to the rules in this document. The company may update or change benefits from time to time, and employees will be informed in advance of any changes.

2. Eligibility

Benefits in this document are available to full-time employees who have joined ABC Technologies. Part-time employees, interns, and contractors are not eligible unless a benefit explicitly states otherwise. Employees on probation are eligible for health insurance from their date of joining. Other benefits, such as learning reimbursement and internet reimbursement, become available after the employee completes the probation period.

3. Health Insurance

ABC Technologies provides group health insurance with a coverage limit of INR 5,00,000 per year for each eligible employee. The coverage includes hospitalization, day-care procedures, and approved outpatient consultations, subject to the terms of the insurance policy. Employees must carry their insurance card and must follow the cashless claim process at network hospitals. Claims outside the network are reimbursed after submission of original bills and discharge documents.

4. Dependent Coverage

Eligible employees may add their spouse and up to two children to the group health insurance plan. Parents may be added by paying the additional premium deducted from salary. Dependents must be added during the enrollment period described in this document. The company will not cover dependents who were not enrolled within the required time.

5. Internet Reimbursement

Employees who are approved to work from home on a regular basis are eligible for internet reimbursement of up to INR 1,000 per month. Reimbursement is provided only for the employee's personal broadband connection used for work. Employees must submit a copy of the monthly internet bill through the benefits portal by the 5th day of the following month. Reimbursement is paid in the next payroll cycle after approval.

6. Transportation Benefits

Employees working at a company office in Bengaluru, Hyderabad, or Pune may use the company shuttle service where it is available. Employees who work after 9:00 PM may book an approved cab and claim reimbursement for the trip through the expense portal. Each cab claim must include the trip receipt and must be submitted within 30 days, in line with the Workplace and Information Security Policy.

7. Meal Benefits

Employees working from the office receive a meal allowance of INR 150 per working day. The allowance can be used at the company canteen or at approved partner restaurants. Meal allowances are not paid for days when the employee is working from home or on leave.

8. Learning and Development

ABC Technologies supports employees who want to build new skills. Employees can request learning opportunities such as courses, workshops, and professional certifications that relate to their role. Learning requests must be approved by the reporting manager before enrolling. Learning and development is managed through the learning portal.

9. Certification Reimbursement

Employees may claim reimbursement for approved certification exams and related courses up to INR 15,000 per financial year. The financial year runs from 1 April to 31 March. Approval must be obtained before the exam or course is booked. Reimbursement is paid after the employee submits the receipt and the official result or certificate. Reimbursement is not provided for exams that are not approved in advance.

10. Performance Bonus

ABC Technologies may pay a performance bonus to employees based on company performance and individual performance ratings. The bonus is discretionary and is not guaranteed. The amount, if any, depends on business results, team performance, and the employee's annual review rating. Employees who resign or are terminated before the bonus payment date may not be eligible for the bonus. Bonus decisions are final.

11. Employee Recognition

The company recognizes employees who demonstrate outstanding teamwork, customer focus, or innovation. Each month, one employee from each department may be nominated for the Spotlight Award. Winners receive a gift voucher of up to INR 2,000 and recognition at the monthly town hall meeting.

12. Wellness Benefits

Each employee is entitled to one free annual health check-up at a company-partner clinic. Employees may also access wellness sessions, including yoga and meditation classes, held

at company offices. Wellness participation is voluntary and does not affect performance ratings.

13. Work From Home Benefits

Employees approved for regular work from home are eligible for the internet reimbursement described in this document. Employees who work from home do not receive meal allowances, but they may claim approved business expenses through the expense portal. Work from home rules are described in the Workplace and Information Security Policy.

14. Paid Training

The company provides paid training sessions during working hours for topics such as information security, the Code of Conduct, and product skills. Attendance at mandatory training is required. Time spent in paid training is counted as working time, and employees do not need to apply for leave to attend.

15. Employee Assistance

ABC Technologies provides a confidential employee assistance program. Employees and their immediate family members can access up to six free counselling sessions per calendar year. Sessions are available by phone, video, or in person. All information shared during counselling is confidential and is not shared with the company.

16. Benefit Enrollment

New employees must enroll in benefits within 30 days of their date of joining. Employees may review and update their benefit choices during the annual open enrollment period, which takes place every November. Outside the open enrollment period, changes may be made only after a qualifying life event, such as marriage, the birth or adoption of a child, or divorce. Qualifying life event changes must be reported to HR within 30 days.

17. Benefit Changes

Employees must inform HR when there is a change in personal or family details that affects benefit coverage. Failure to update details may result in claims being rejected. Benefit changes take effect from the first day of the month following approval by HR.

18. Contacting HR

Questions about health insurance, reimbursements, learning requests, or benefit enrollment can be directed to the HR Helpdesk through the HR Portal or by calling internal extension 4100. Benefit forms and reimbursement claims are available through the benefits portal.
